50X1-HUM

1. In early August 1951, the Soviets had recently cancelled all construction contracts at the Strausberg (H 53/V 15) air force depot including the installation of a central heating system allegedly because of the lack of funds.

50X1-HUM

2. Shipments occasionally observed included trucks which carried motor vehicle tires into the depot on 1 August. Truck picked up material in the depot on 2 August and 5 new van-like radio trucks. One new truck, and one new truck with a hoisting gear arrived by rail on 5 August. **
